

# PRODUCT SPECIFICATION

REF 51011007 FIRST AID KIT LARGE DIN 13157

## 1 GENERAL PRODUCT DESCRIPTION

### Description

A First Aid kit containing first aid products to be used in emergency situations (bleeding, breathing, burns, sprains, circulatory shock). The strong and durable case has a rubber handle that will not slip out of the hand. All products are easily available and protected against dust, dirt, and moisture inside the well-organised bag. There is also space for additional supplies. The bright green and yellow coloured kit are clearly visible at a distance.

The Medical device products inside are CE-labelled.

The content is compliant with DIN 13157.

### Storage information

Dry storage at room temperature. For maximum protection, keep the products in their original packages until use.
