

PRODUCT SPECIFICATION

REF 51611220 FIRST AID KIT DIN 13157

1 GENERAL PRODUCT DESCRIPTION

Description

A First Aid kit containing first aid products, according to Din 13157 standard, to be used in emergency situations (bleeding, breathing, burns, sprains, circulatory shock). The strong and durable case has a rubber handle which will not slip out of the hand. All products are easily available and protected against dust, dirt and moisture inside the well-organised bag. There is also space for additional supplies. The bright green and yellow coloured kit are clearly visible at a distance.

The Medical device products inside are CE-labelled.

Storage information

Dry storage in room temperature. For maximum protection, keep in original package until use.
