

# PRODUCT SPECIFICATION

REF 644401 SALVEQUICK TEXTILE EXPRESS PLASTER, 1-P

## 1 GENERAL PRODUCT DESCRIPTION

### Description

Adhesive bandages (plasters) of two sizes, medium and senior, packed in a cardboard refill package, intended for the Salvequick dispenser for adhesive bandages.

The plasters can easily be pulled out with just one hand and applied on the wound.

The adhesive bandage consists of a backing, evenly spread with an adhesive coating. An absorbent pad is fixed centrally to the dressing. The adhesive is covered with a release-coated foil that consists of two parts partly overlapping each other. When the adhesive bandage is taken out from the package, the release-coated plastic foil remains behind. One half of the dressing can now be applied on the skin using one hand only. The rest of the coated paper can then be removed and the adhesive bandage is ready for use. The refill is packed in a transparent blister package. **Accessory:** Salvequick plaster dispenser, REF 490700

### Storage information

Dry storage in room temperature. For maximum protection, keep the products in original package until use.

## 2 DETAILED PRODUCT INFORMATION

### Content per consumer unit (case)

<u>Product/Material</u>	<u>Qty</u>	<u>Dimensions (mm)</u>	
Refill package	1	88 x 29 x100
