

PRODUCT SPECIFICATION

REF 219600 SALVEQUICK INSTANT COLD PACK

1 GENERAL PRODUCT DESCRIPTION

Description

An instant cold pack intended to be used for pain relief and reduction of swelling from sprains and minor injuries. The rehabilitation time is shortened if the injury is treated immediately.

The cold pack is activated by folding the bag and thus popping the inner fluid bag.

The product is intended for single use.

Storage information

Dry storage in room temperature.
